

2016 Teams of Ten

Hosts: Target Shooting Hutt Valley

Rees Scroll

Jim Hart Trophy

Rees Scroll: Open to all North Island Associations

Jim Hart Trophy: Shot by the 11th and below North Island Teams from the previous year

This year's event was held in Target Shooting Hutt Valley's newly renovated range, Halford Place, Lower Hutt. Recently expanded to 18 mounds and now including the Anderson Range and the Keene Range. The Anderson Range was named after a Hutt Valley stalwart, Richard (Dick) Anderson, a larger than life Lower Hutt Club shooter who was the driving force to double the size of the Keene Range. Finally after about 30 years it is complete and TSHV felt that due consideration should be given to his efforts.

The weather was fine and warm so lots of time was spent sitting in the sun. Thanks to the Vintage Car Club, the Hutt Valley Car Club and the Fijian Society the event was able to be spread out comfortably. The Vintage Car Club was "Result Headquarters", Shop and Cafeteria. The café women were run off their feet and extended waiting times to fill the need were generously tolerated by shooters.

Taking out the Rees Scroll was Manawatu 1. The Jim Hart Trophy was won by Manawatu 2.

The top shot of the day was Ryan Taylor with 398.16 which included the day's only 200.

TSHV thanks those who assisted throughout the day. Comment was made at the dinner that it had never been seen before where the target changers had timing competitions to see how fast they could change the targets!! Albeit slowed down fractionally by an over-enthusiastic person who crunched a fluoro tube in their haste! Thanks to the various association markers who followed our procedure wonderfully. Once the need to ensure 10.0 (TO) and 10.1 (TI) was correctly labelled few targets turned up at the marking table to be rechecked. It is clear that 3 teams of 2 people working together can efficiently mark 15 sets of targets and after checking, collating and writing up can be carried out before the next squad is finished. Buckets of testers are not necessary.

We are all looking forward to the 2017 event in Napier.
