Level 1	Key Government measures	TSNZ Internal Measures	TSNZ Recommendations for Clubs
The disease is contained in New Zealand.	Rapid contact tracing of any positive case.		Clubs must maintain a register of all persons accessing the club facilities (whether shooting or not).
	Schools and workplaces open, and must operate safely.		TSNZ Clubs open, non-Members may attend. All Clubs should maintain clean and healthy facilities. Sharing of gear and clothing and consuming of food and drink on premises to be minimised where possible.
	Physical distancing encouraged.		Leave at least one empty mound between shooters. Maintain 1m distancing in gear, shooting and marking areas.
	No restrictions on gatherings.	All TSNZ Indoor POSTALS and NIC (additional hosts to be sought) permitted. New TSNZ events to be developed. Some TSNZ events will remain cancelled for 2020: North vs South, NDC, Secondary Schools Postals & Inter-Island Match. Island events of Teams of Ten, Andrew & Faulkner remain cancelled.	All Club events and competitions (including Inter-Club, AGMs and Prize-Givings) are permitted, provided they follow the above safe operation guidelines.
	Stay home if you're sick, report flu-like symptoms.		If you or anyone in your bubble are sick, stay away. Clubs may turn away anyone who appears unwell.
	Wash and dry hands, cough into elbow, don't touch your face.		All clubs should maintain clean and healthy facilities.
	No restrictions on domestic transport – avoid public transport or travel if sick.	2020 Indoor Season finishing date (usually 30th September) may be extended if required to accommodate Championships re-scheduled from Alert Levels 2-4.	Open competitions, Inter-Club, and Range inspections are permitted. Future Championship dates on TSNZ Calendar to resume, although organisers may still cancel if preferred. Championships on PAST DATES may be re-scheduled or run as distance competitions - either option must be pre-approved by TSNZ.
	People at high risk of severe illness (older people and those with existing medical conditions) are encouraged to stay at home where possible, and take additional precautions when leaving home.
