

2022 Outdoor Nationals MATCH RESULTS

From 4pm Monday 21 February 2022 all Results will be handled in accordance with ISSF Rules as follows:

- **OFFICIAL RESULTS** following the marking of each squad will be posted on **ONE OFFICIAL NOTICEBOARD** - the **GOLF CLUB FOYER**.
- The time these results were posted and the closing time of the **10 MINUTE PROTEST PERIOD** will be written on the official results.
- As soon as possible after the official results are posted a **COPY** will be taken up to the **RANGE** noticeboard and an **ANNOUNCEMENT** will be made that targets are available at the Golf Club for checking.
- The time that the official PROTEST TIME closes will be written on the copy.
- **NO ADDITIONAL PROTEST TIME** will be available to any shooter.

IMPORTANT - DO NOT rely on the announcement or copy of results arriving at the range to go and check your targets. To be sure your targets are checked within the official protest time either:

- make sure you are AT THE GOLF CLUB soon after the match or
- APPOINT SOMEONE ELSE to check your targets for you.
