TROUSER OUTER LENGTH (SIDE SEAM)	96.5	97.7	99	100	101.6	102.8	104	105	106.6

How to select the sizes from above chart?

Please observe the above chart carefully, to select your appropriate measurement of Chest & Body height.

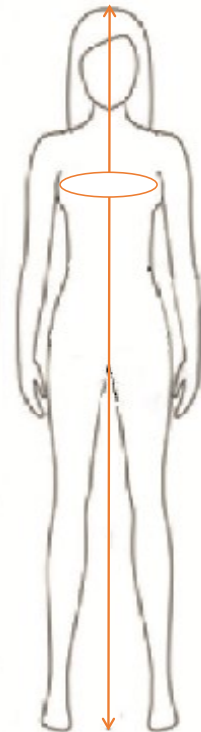

For Example - If Your Chest size is 86 cm & Body height is 158 cm .

STEP 1 - Select your chest measurement from above chart i.g - 86cm.

STEP 2 - Select your Body heights from same column from where you selected the chest which is nearest to your actual Body heights measurement. i.e 159/161 cm.

STEP 3 - Now as per above "Capapie measurement chart" your size would be chest 86 cm & Body height 159/161 cm.
