Shooters are not to advance targets until they have been called to the line.

Event start times:

The posted start times are when competition shots will commence. Preparation and sighting will commence 15minutes prior (ie 8.45am for an 9.00am event).

Food:

We aim to have the usual kitchen running with a selection of food available – eg sandwiches, sausage rolls, pies, muffins, slices, fruit, water and drinks along with some home baked treats.

Presentations:

Presentations and awards for all events will take place at the presentation dinner at the Commodore Airport Hotel on Saturday the 25th of February.

Team photographs and presentation dinner:

Team photographs will be at the Commodore Airport Hotel starting at 5.30pm. The dress code is formal (blazer for everyone in photo's), please check the TSNZ website for any clarification on suitable attire.

Cost of photos – The photographer on the night will have ordering facilities set up (cash ONLY on the night), and orders are to be placed on the evening for \$25/photo and \$5 postage (payment made at that time directly with the photographer). Delayed orders will be available online (and via credit card) for \$28/photo and \$5 postage.

Dinner will follow the photos with presentations and speeches made between and after the courses. Please advise on your entry form if you have any allergy or dietary requirements.

Results:

Results will be posted at the range - outside the marking room, where the necessary protest time will be observed, targets can be collected and checked at the same location. Copies of confirmed results from previous days will be displayed on the board outside the marking room and will be posted on the TSNZ website.

Practice:

Practice can take place on Sunday 19th February between 12-2pm, or by arrangement throughout the week (see Denva, John or Shania to arrange this). The cost for practices will be \$10, to cover target and range fees.

Bench rest & personal flags:

Bench rest will run concurrently with matches throughout the week (Tuesday to Friday). So every detail will have the ability to have benchrest shooters competing. The range will have multiple bays set up for shooters to compete in this event to the right hand side of the main range firing points.

Please book your timeslots from those available on the squad sheets. You will be required to shoot 4x40 shot matches, with no more than 2 matches to be shot on any one day, and a minimum of one match after 12noon. Bench rest booking sheets will be available near the bench rest mounds on the range from Monday 20th February.

Please note, no personal wind flags will be permitted to be used on the COTS range, as all bench rest details will be run in conjunction with other 50m events. Therefore the existing range flags are to be the only flags used during these competitions (and any practices).

Volunteers:

We thank those that have already volunteered to help run the TSNZ National Championships in Christchurch. As with any event, support from fellow shooters is much appreciated and

given this event can only be run well with the support of the competitors and local club members, **there will be a roster posted on the wall (near the marking room) where competitors have been allocated activities** (ie marking support), if you are unable / unavailable to help with these tasks, please see a COTS committee member, or speak with Denva. We thank you in advance for your support to help make this event a success.

Womens Randle Match:

COTS will run a Randle team match on the NZDA range as per the programme schedule.
