

NZ COVID-19 Protection Framework for TSNZ

Updated 14 April 2022

IMPORTANT

GATHERING – All shoots and meetings organised by TSNZ, TSNZ clubs and TSNZ associations are classified as Gatherings under the SportNZ guidelines.

A gathering is people who are intermingling in a group. It includes gatherings to undertake voluntary or not-for-profit sporting, recreational, social or cultural activities.

VACCINATION PASSES – are no longer mandatory

- *From 5 April 2022* – Vaccination passports are no longer required for people involved in TSNZ competitions and meetings (North v South, Secondary School, Nationals 50m, Nationals Air Rifle, AGM and Exec meetings)
- For other meetings and shoots, each venue can determine whether they will operate with or without Vaccination Certificates being a requirement. Operating with or without Vaccination certificates no longer impacts capacity limits.

The following table details restrictions for the settings under Orange.

The Sport New Zealand website has more information on this:
