

Andrew & Faulkner Championship

Mid Canterbury

31 July 2021

Updated information

Progress is going well, and we are looking forward to seeing you all in Mid Canterbury very soon!

Some updated information, and reminders:

Venue

South Island Seeds building, at the Ashburton A&P Association grounds, together with the Mid Canterbury Vintage Machinery Club headquarters. These two buildings can be found beside each other at the Ashburton A&P grounds, 32 Seafield Rd, entry from Seafield Rd. See street view on this image <https://goo.gl/maps/qKy9wSfGSFqCeApj6>

We have a temporary range set up with 16 mounds at 25 yards.

Dinner and Prizegiving – please attend to this as soon as possible

We have booked the large conference area available at the Hotel Ashburton, 11-35 Racecourse Rd. A bar will also be running inside the conference area. Dinner is \$53 per head for a two-course buffet, with table starters and several carvery options. Children between 6-12 are half price (\$26.50), and under 5s are free. Please let us know if you have children, and require high chairs etc. **Tickets need to be pre-purchased by 22 July, preferably in team/group bookings (no further tickets will be available after this date).** Please email to targetshootingmidcanterbury@gmail.com with the names for tickets, and make payment to TSMC 02-0836-0261358-00, ref your team name/surname.

Food

A local primary school group is running our kitchen as a fundraiser – they have produced a phenomenal Menu to cater across the day, which includes hearty breakfast options (for those in early), morning and afternoon tea items, and great lunch options for in between. The kitchen will be open from early in the day, please give them your support – the food is going to be amazing!

Rifle Safety

Our range rules require that your rifles are made safe when set up in the equipment area, bolts open, breech flags in place. Breech flags must be fitted when carrying rifles to the mound and must be fitted before removing rifles from the mound and returning to the equipment area. Rifle safety is the responsibility of each competitor. Teams will be required (by the Police) to have a licensed person supervising their team table at all times.

Equipment Sales

TSNZ and Shooting Stuff will have shops available on site.

Raffles

We will have awesome raffles available on the day and would appreciate your support.

Merchandise

We are excited to have merchandise on offer. Pre-orders will be ready for pick up on the day. Further orders on the day will be taken for postal delivery after the event.
