	Team photos followed by Dinner and Presentations	5.30pm

Event start times - the start times are when Competition Firing will commence. Preparation & Sighting time will commence 15 minutes prior (eg 8.15am for an 8.30am event), with the range opening 15 minutes prior to Preparation & Sighting time.

Benchrest – this will run concurrently with Prone Matches throughout the week (Tuesday to Friday), and is a 4 x 40 shot match with no more than 2 matches being shot on any one day.

Women's Randle Match – as this is a dual-distance match requiring a 100yd range in addition to the 50m one it requires use of the adjoining NZDA Range. Details of this are yet to be confirmed.

Air Rifle Nationals – are a separate event, to be held in Auckland in March 2021.

COVID requirements - depending on the COVID alert level, the squad lists may need to be amended to meet the TSNZ COVID range requirements (eg shooters being squadded every other bay), which will change the planned Nationals schedule. As much notice as possible of any changes or cancellations will be provided.

Presentations & Awards dinner - The 2021 Nationals will have a dinner and presentation evening on Saturday 27<sup>th</sup> February, details will depend on COVID social gathering restrictions at the time. Team photos will also be taken at this event so all shooters should plan to attend.
