This accommodation was chosen as there is less road noise compared to Bealey Ave, it is closer to certain amenities such as Merivale Mall, is only a 10-minute walk to the Central City. And is just a 7 - 10 minute drive to Bangor St Rifle Range.

CTSA will provide transport to and from the accommodation locations listed above and may be open to others by arrangement providing there is a significant number of people at that location and that it is in the same geographic area as these locations. Please contact ctsa.secretary1@gmail.com to discuss. Unless arranged prior as mentioned above, shooters staying at any other location are responsible for arranging their own transport.

Airport transfers will be provided as long as you have notified us of your flight times on your shooter information form, and providing you are arriving on the Friday and departing on the Monday (ie we will not be providing transport on the Thursday or Tuesday, as vans and drivers will not be available).
