A keen number of shooters decented on Christchurch for the annual Canterbury Champs. With recent earthquakes in Kaikoura and Seddon we saw fewer shooters from the Nelson/Marlborough & North Canterbury areas (our thoughts are with you all during this time). A number of shooters joined us from Timaru, Oamaru & as far away as Gore - along with the die hard North Islanders. A fun weekend was had, with challenging conditions on the Saturday afternoon (particularly) with the Northerly, however over night the rain arrived and much more readable conditions were on offer for the Sunday morning. A huge thank you to the helpers on the weekend to run the shoot. We wish you all a fantastic Christmas and New Year - see you all in 2017 in Canterbury for the South Island Champs and National Outdoor Championships during February.
