Titipounamu Summary 2024

This year 10 Associations took part in this competition, last year was 9, have we turned the corner on particitation?

A BIG thanks to the Secretaries and teams for taking part to make this competition a NZ wide competition.

A few teams were absent this year, hope you can get involved in 2025.

Congratulations to Taranaki (3 wins in a row now) taking out this years competition. Another small winning margin, 1 point win and a mere 3 points between first and 5th.

Check out previous years results HOWEVER do not be put off by them...if you do not try, you can not win.

Thanks again to all who took part this year. Hope you all and more will support this event in 2025. Have a relaxing and enjoyable Christmas/New Year and we will do this all again next year.

Regards

Robert Dixon
