

Congratulations to both the North Island Open and Junior teams for their wins against their respective Scotland teams. As the Scotland team shot their half of their match in March, we try to generate some suspense, as the scores come in, we write up the NI team members score and then write up the opposing Scotland team members scores. It's fascinating to watch the ebb and flow as each set of scores are written up. In the Open match, the NI team had a slender 6 point lead at the half way mark and then gained another 6 points on the second half. Many thanks to all the helpers who made the day run smoothly.

Open: North Island 5911 vs Scotland 5899

Junior: North Island 1962 vs Scotland 1932

Congratulations to the top scorers:

Open: Ryan Taylor 399

Junior: Chelsea Bau 397

From Donald's email, it was nice to see past long time Scotland team member Cyril De Jonckheere presenting the badges and date bars to the Scotland team at the conclusion of their match. And great to see that the Scotland team celebrated the 50th anniversary of this match with a special night out in Edinburgh with both past and present members of the team. And very fitting that they were all dressed up in their kilts. The team photo contained an impressive number of past and present international shooters.
