Competitor information:

Registration:

All competitors must register their attendance at the club rooms (green building, opposite the range) and sign the range standing rules form on arrival. A start card will be included in your entry pack for you to record your squadding details on and results of an optional equipment check.

Equipment checks:

Equipment checks are optional and can be done at the range on Sunday 15th February from 12pm. If you would like equipment checks after this day/time, please check the sign inside the door of the equipment testing room (for times to book), or see Denva so it can be arranged.

Squadding information:

All squad lists will be displayed on the wall outside the marking room. Please check that you are listed. If there are problems, please advise Denva Wren, Shania Harrison-Lee, John Booth or Russell Henshaw. Also on the notice board are the expected start times for each squad and the mound draw. This year, bench rest will also be pre-squadded, and posted outside the marking room prior to the competition.

Squadding will be shared with competitors via email prior to the event, so that competitors can check the accuracy of their entries against the event schedule in advance.

Target changers :

The target changers can travel in both directions, however **we recommend that you only use them in the forward or 'down' direction.** If there is a problem with your machine during the match, please advise the range officer immediately. If the problem cannot be fixed quickly, then you will be moved to another firing point.

Shooters are not to advance targets until they have been called to the line. We recommend you check the controller/button is working before preparation and sighting starts.

Event start times:

The posted start times are when competition shots will commence. Preparation and sighting will commence 15minutes prior, (ie 8.45am for an 9.00am event). Call to the line will be 10minutes prior to preparation & sighting (ie 8.35am, for a 9.00am event)

Food:

We will be doing food slightly differently this year - with a food truck booked for lunches and our lovely 'Coffee Lady' Alison booked for coffee (including decaf options) and muffins etc.

Presentations:

Presentations and awards for all events will take place at the presentation dinner at the Hornby Club on Saturday 21 February.

Team photographs and presentation dinner:

Team photographs will be at the Hornby Club starting at 5.30pm. The dress code is formal attire and a black blazer for everyone in team photos (some blazers can be borrowed on the night for first time shooters). If you are unsure, please contact the TSNZ office prior to the event, or the event organising committee for clarity.

Photos are \$25 each and the photographer will be able to take orders and payments on the night (eftpos is available).

Dinner will follow the photos with presentations and speeches made between and after the courses. Please advise on your entry form if you have any allergy or dietary requirements.

Results:

Results will be posted at the range - outside the marking room, where the necessary protest time will be observed, targets can be collected and checked at the same location. Copies of confirmed results from previous days will be displayed on the board outside the marking room and will be posted on the TSNZ website.

Practice:

Practice can take place on Sunday 15 February between 12-2pm, or by arrangement throughout the week (see Denva, John or Shania to arrange this). The cost for practices will be \$10, to cover targets and range fees.

Bench rest & personal flags:

Bench rest will run concurrently with matches throughout the week (Monday to Wednesday). So every detail will have the ability to have benchrest shooters competing. The range will have multiple bays set up for shooters to compete in this event to the right hand side of the main range firing points.

Bench rest is pre-squadded, this will ensure that the range mounds can be maximised when running concurrently with other details.

Please note, no personal wind flags will be permitted to be used on the COTS range, as all bench rest details will be run in conjunction with other 50m events. Therefore the existing range flags are to be the only flags used during these competitions (and any practices).

Volunteers:

We thank those that have already volunteered to help run the TSNZ National Championships in Christchurch. As with any event, support from fellow shooters is much appreciated and given this event can only be run well with the support of the competitors and local club members. To assist with planning (for competitors & event committee) we will post **a volunteer roster on the**

wall (near the marking room) where competitors have been allocated activities (ie marking support or assisting with the Randle Team event, ie target set up), if you are unable / unavailable to help with these tasks, please see a COTS committee member, or speak with Denva. We thank you in advance for your support to help make this event a success.

Womens Randle Match:

COTS is planning to run a Randle team (50yrd / 100yrd) match on the NZDA range as per the programme schedule, we are in progress to confirm this - team nominations/interest will be posted at the range during Nationals week - if there are any changes to our plans, we will let competitors know as soon as possible.
