

This round I wish to highlight the families who shoot in our NDC teams. I started noticing in some of the teams a number of family members, and when I went through the results of this round, I discovered far more families than I anticipated. This is not an exhaustive list. I must add that the competition within these families is fierce.

~~Only Wanganui Warriors appear to have no martial or filial relationships.~~

I have now been educated and wish to add here that Tony Baylor of the Wanganui Warriors and Rachel Hackett of the Marlborough Suns are in-laws.

There are undoubtedly others whom I have missed.
